Local Small Business Closures, Disaster Assistance Loans

La Cañada Flintridge, CA – In order to reduce the opportunities for transmission of the novel coronavirus (COVID-19), the City of La Cañada Flintridge has supported the Los Angeles County Public Health Department’s March 16 order requiring that all bars and pubs (that don’t serve food), fitness centers, gyms, movie theaters and auditoriums should be closed to the public. Restaurants can maintain operations provided food service is via take-out, drive-thru or delivery only. For complaints, please contact the Crescenta Valley Sheriff’s Station at (818) 248-3464.

Disaster Assistance Loans

Recognizing the impact of these closures on our community, the City of La Cañada Flintridge would like to share a new resource: the U.S. Small Business Administration (SBA) is offering low-interest federal disaster loans for working capital to California small businesses suffering substantial economic injury as a result of COVID-19.

Applicants may apply online, receive additional disaster assistance information and download applications at disasterloan.sba.gov/ela. Applicants may also call SBA’s Customer Service Center at (800) 659-2955 or email disastercustomerservice@sba.gov for more information on SBA disaster assistance.
