#### **ABOUT THE COMMISSION:**

Planning Commission reviews proposed residential and commercial development projects, subdivisions, and uses of land to determine their compliance with applicable City zoning and building laws.

Design Commission reviews all applications requiring design review for non-residential projects and residential planned developments. It also reviews any projects referred from the Planning Commission or City Council. Members include at least one architect, one professional in horticulture or landscape construction; one professional in a related field; and one owner or manager of a business within the City, not necessarily residing in the City.

Investment & Financing Advisory Committee provides advice pertaining to the investment of the City's funds by developing immediate and long-range plans for the investments. They also advise on debt issuance and management.

Parks & Recreation Commission develops immediate and long-range plans for the City's recreation needs; and schedules public recreational activities utilizing public facilities.

Public Safety Commission advises and makes recommendations to the City Council on law enforcement, fire protection and other pertinent public safety issues.

Public Works & Traffic Commission advises and makes recommendations to the City Council on the public works program and maintenance requirements; and reviews and advises on publicly owned property and traffic-related issues.

Youth Council provides a forum for the exchange of positive ideas and information regarding youth-related issues.
