

**OBJECTION TO FILM/STILL PHOTOGRAPHY  
PRODUCTION IN MY NEIGHBORHOOD**

I \_\_\_\_\_ hereby indicate my objection to all film/still photography productions occurring within 300 feet of my property located at \_\_\_\_\_ for the remainder of the current calendar year.

I understand that film/still photography production companies must meet several requirements specified in Section 6.04 of the City’s Municipal Code in order to obtain a permit. I also understand and acknowledge that my individual objection to a particular production does not necessarily mean a permit cannot or will not be issued for said production. Further, I understand that my objection will not exempt me from receiving notifications about proposed filming activity in my neighborhood.

I also understand that a copy of Chapter 6.04 of the City’s Municipal Code “Regulation of Filming, Telecasting and Still Photography” may be obtained by visiting the City’s website (<http://qcode.us/codes/lacanadaflintridge/view.php?topic=6&frames=on>)

Further, I understand that I should contact either the City at 818-790-8880 or the Crescenta Valley Sheriff’s Station at 818-248-3464 (after hours and on weekends) for any concerns about illegal and/or unpermitted film activity.
