FACT SHEET

PROJECT IMPROVEMENTS

The City of La Cañada Flintridge, in partnership with Caltrans and Metro, will complete the planned program construction of the Soundwall Construction on Interstate 210 Freeway, Phase III Project, which consists of three sound wall segments along I-210.

- **Soundwall along eastbound I-210 (S311A & B; south side of I-210)**
  - **Location:** Between Alta Canyada Road and St. Francis Place.
  - **S311 A Length:** .063 miles (approximately 332 feet)
  - **S311 B Length:** .23 miles (approximately 1,194 feet)
  - **Height:** Variance between 14 to 16 feet
  - **Schedule:** February 2022 through late Summer 2022
  - **Post-construction items:** Through early 2023

- **Soundwall along eastbound I-210 (S335; south side of I-210)**
  - **Location:** Between Vineta Avenue and the eastbound I-210 Freeway on-ramp, easterly of Georgian Road
  - **Length:** .26 miles (approximately 1,365 feet)
  - **Height:** Variance between 10 to 14 feet
  - **Schedule:** February 2022 through late Fall 2022
  - **Post-construction items:** Through early 2023

- **Soundwall along westbound I-210 (S336; north side of I-210)**
  - **Location:** Between the intersection of Baptiste Way and Vineta Avenue and the westbound I-210 Freeway off-ramp at Crown Avenue
  - **Length:** .40 miles (approximately 2,134 feet)
  - **Height:** Variance between 12 to 14 feet
  - **Schedule:** February 2022 through late Fall 2022
  - **Post-construction items:** Through early 2023

SCHEDULE

- **Overall Project Schedule:** February 2022 through early 2023

CONTRACTOR

- **Powell Constructors, Inc**

FUNDING

- **Estimated Construction Cost:** Approximately $9 Million
- **Funded with State and Metro Funds**
  - **State Funds:** SB1-Local Partnership Program (LPP-C)
  - **Metro Funds:** Regional Measure R and Proposition C25.

PROJECT BENEFITS

- **These soundwalls will reduce existing noise levels on I-210 through La Cañada Flintridge, for the benefit of the community.**

For any questions you may have, please call the project phone line, or email the project email, both listed below. We appreciate your patience, and we apologize for any inconvenience during construction. Thank you for your understanding and cooperation.
