30-Day Look-ahead Construction Activities

Please Note:
Trails Council Link CLOSED on Weekdays and Open on Weekends
5/02/2022 - 01/03/2023

The City’s contractor, Powell Constructors, Inc., continues construction activities for the three new soundwall segments a part of the Soundwall Construction I-210 Freeway Phase III Project. Below is information regarding ongoing construction activities for the month of December 2022.

Westbound & Eastbound I-210 Freeway Bridge (S335 & S336; north & south side of I-210)

Temporary Full Street Closures of Hampton Road & Foothill Boulevard

WHAT: The City’s contractor, Powell Constructors, Inc., will carry out nighttime full street closures. Hampton Road will be closed first followed by Foothill Boulevard, starting on Monday, December 5 through Friday, December 16. Please see maps below for location of closures and corresponding detours. Detour signs will be posted, and flagmen will be on site, as needed.

WHEN: Monday, December 5 through Friday, December 16 *
*Please note, there will be no closures on the weekends.
Nighttime Work Hours: 10 p.m. to 5 a.m.

WHERE:
- On Hampton Road, between Foothill Boulevard & Baptist Way
- On Foothill Boulevard, between Hamilton Road & Crown Avenue
Please see maps below for closure locations and detours.

WHY: For the removal of the eastbound I-210 temporary falsework and for the westbound and eastbound bridge dryfinish.

**WHAT:** Crews continue carrying out the following activities:

- Placement of Masonry block
- Closing temporary manhole openings used during the construction of the soundwall

**WHERE:** At the Foothill Boulevard and Hampton Road Undercrossing.

**WHEN:** Weekdays, 7 a.m. to 3:30 p.m.

---

Soundwall along Eastbound I-210 (S335; south side of I-210) and Soundwall along Westbound I-210 (S336; north side of I-210)

**WHAT:** Crews will be carrying out the following activities:

- Excavation and rebuilding of drainage inlets
- Excavation, placement, compacting and pouring concrete for permanent crash cushions
- Placement of Masonry block

**WHERE:**

- **Eastbound I-210** - Between Vineta Avenue and the eastbound I-210 Freeway on-ramp, easterly of Georgian Road
- **Westbound I-210** - Between the intersection of Baptiste Way and Vineta Avenue and the westbound I-210 Freeway off-ramp at Crown Avenue

**WHEN:** Weekdays, 7 a.m. to 3:30 p.m.

---

Soundwall along Eastbound I-210 (S311A & B; south side of I-210)

**WHAT:** Crews will be carrying out the following activities:

- Placement of Masonry block

**WHERE:**

- Between Alta Canyada Road and St. Francis Place

**WHEN:** Weekdays, 7 a.m. to 3:30 p.m.

---

During applicable activities, traffic on City streets and noise level may be impacted. However, the Contractor and the Consultant will monitor the noise level to ensure that it will not exceed 85 decibels in accordance with the project specifications, and traffic control measures will be also implemented to ease any congestion.
To ensure safety to the community, the contractor will continuously monitor all activities and adjust conditions as necessary.

For any questions you may have, call the project phone line or email the project email, both listed below. **Email us to sign up and receive project updates.** Thank you for your understanding and cooperation during construction.

*Please note: Construction activity schedules and closures are subject to change due to inclement weather and/or other unforeseen operational or uncontrollable factors. Everyone is working towards completing this project in a timely manner and your cooperation and understanding helps the project team expedite the construction of the soundwall. We appreciate your patience, and we apologize for any inconvenience during construction.*
